## Our Week

Our first week of kindergarten went very well! The students learned 50 many things. We worked on how to come into the classroom in the morning, how to use scissors and glue, what we do for snack time, and so much more. All week the students were getting PBIS training from Mrs. Carlson our social worker, and Mrs. Ragen, our librarian and computer teacher. Students learned how to be responsible, respectful and safe throughout the building and outside. Today, we celebrated all of their hard work by having an assembly with Brownie the Bear, our mascot. Students got stickers and pencils, and sang songs and did cheers. We also read lots of books about kindergarten and rules this week- I think the favorite in our classroom was *David Goes to School*, which helped students discuss rules that we should have in room 7. Our week was focused mainly on routines, being a kind friend, and learning how to behave and listen at school. The students did a fantastic job at all of these things.

## Next Week

Poem: My First Day  
Letters/Sounds: T, B, F  
Number of the week: 0

Next week we will continue to practice routines and expectations, but we will also begin to learn and start more things academically. ABC Bootcamp begins on Tuesday with our first letter, T. Don't forget to have your child bring in an object from home that begins with T, B or F on Friday!

The students will learn how to be a 'bucket filler' next week. This is a term we use after we read the book *How Full Is Your Bucket?* It teaches kids why and how they can be kind to others, and the impact it can have on everyone.

We will begin working on poetry next week as well. Students will have a poetry notebook that will come home every Friday for you to read together. More info on this next Friday.

## Schedule Next Week
